

Delivery Policy

Struts Online deliver via AusPost eParcel anywhere within Australia.

You will receive email notifications of dispatch, and delivery of your goods.

If your order is over \$100 the delivery cost for your products/s is free anywhere within Australia. If your order is below \$100 you will be charged a flat charge of \$12.10 for shipping.

Struts Online have shipping warehouses in 3 states, which means we can get your consignment to you FAST. We dispatch same day if goods are ordered before 2pm EST during weekdays. Goods ordered on weekends and public holidays are dispatched on the first working day after. Standard delivery times are 1 to 3 working days.

Don't worry if you're not at home when the goods are delivered. Australia Post will leave a card at your home advising you that an attempt has been made to deliver your product. Your new product will then be available to be collected at your local post office. You will find information about the post office location on the card left by the courier. P.O. Box addresses are welcome!
